Notes & Results

- **App Solve is Canada's largest Salesforce Field Service Partner** and multi-cloud certified Salesforce Implementation Partner focusing on SMB to small enterprise businesses in Canada and the U.S. Northeast.
- **“Salesforce aligns all elements of the pipeline and the entire customer journey into one centralized place, improving transparency and accountability,”** said Brent Nacu, Director of Business Development. **“Field Service is enabling a mobile workforce and a centralized dispatch team to have great communication,** for example, and the customer experience in between all of those touch points is fluid.”
- The team at App Solve has partnered with **Commercient to integrate their clients' Salesforce and Field Service Management systems with their ERPs, helping give a full view of customers, sales, and marketing.**
- **“If a business needs a specific integration, we have a strategic partner that can help with that,”** said Nacu. **“That's where it Commercient is an absolute value added partner.”**
