CHALLENGES	SOLUTIONS	RESULTS
Digitally transform businesses with a state-of-the-art, cloud-based CRM solution	Zoho CRM and Zoho One	Rede Corporativa helps modernize a company's sales and marketing processes
Data between ERP and Zoho CRM remained siloed	Commercient SYNC, the #1 data integration platform for sales	The sales and marketing teams can view customer info, orders, invoicing, products, etc., in Zoho
Continue to streamline and enhance processes	Rede Corporativa and Commercient	Businesses have a full view of sales, marketing, and customers

Notes & Results

- **Rede Corporativa implements Zoho One easily and with quality, and the company is based in São Paulo, Brazil.** Rede Corporativa helps customers across Brazil, South America, North America, and worldwide.
- **“Zoho has a great vision for the future and it’s the best software on the market,”** explained Marcello Andrade of Rede Corporativa. **“And we are helping them to expand into new markets such as Brazil.”**
- Rede Corporativa partnered with **Commercient to implement a data SYNC between Zoho CRM and ERP.** This helps their clients to have a full view of sales, marketing and customers.
- **“SYNC benefits our clients by giving them access to information about their customers in Zoho, such as what they’ve purchased in the past, which helps with sales,”** said Andrade. **“They won’t have to call the accounting department to get that information.”**

ABOUT COMMERCIENT

Commerciant SYNC provides consulting partners with a quick and efficient data integration solution for their clients. We work closely with consultant partners to provide a seamless integration, while they manage their clients' overall integration project.

SYNC can integrate 150 ERP systems with your client's CRM. Let our expert helpdesk, support and sales teams assist you with delivering exceptional results to your client.
